

ARMY BOMBER EXPLODES; 5 DIE IN OHIO CRASH

Findlay, Ohio, Nov. 1 (U.P.)—A twin-engine Army light bomber, which apparently exploded in the air, crashed on a cornfield near here today, killing its crew of five.

Identification of the victims was difficult. Their bodies were literally blown to bits.

Patterson Field reported the five victims were all from the Orlando, Fla., Air Corps base. They were:

Lieut. T. W. Bafford, address unavailable, pilot.

Lieut. George W. Smith, Asheville, N. C., co-pilot.

John D. Southard, Springfield, Ohio.

Robert J. Hageman, Patterson Field, Ohio.

Sergt. Lee D. Chambers, 18th Reconnaissance Squadron, Hinesdale, N. Y.

The plane left Patterson Field, near Dayton, about 9:15 A. M. to test automatic flight control equipment.

The crash occurred at 1:25 P. M. on the farm of L. L. Clymers, three miles north of Mount Cory. Victims were identified by contents of wallets found up to 2,000 feet away from the main wreckage.

Witnesses said the ship was flying at about 1,500 feet under a low atmospheric ceiling. Suddenly it plunged to earth at a 45-degree angle.

Goes to Anti-Aircraft

Washington, D. C., Nov. 1 (U.P.)—Major Gen. Fulton Q. C. Gardner was ordered relieved today from command of Camp Haan, Calif., but continued in command of the anti-aircraft artillery training center there.
